\* 4 days to go & can't register for CVO AGM / Members Forum

Thurs Jan 4<sup>th</sup> - I called CVO because vets couldn't register on the website - had not been set up yet

- Receptionist said only one that could help me was Kim Huson who is away until Jan 5<sup>th</sup> but that she would call me then realizing the deadline for registration was the 8<sup>th</sup>

Fri Jan 5<sup>th</sup> - No call from Kim Huson by 4pm so left her another message.

Monday Jan 8<sup>th</sup> - Kim Huson called and left message for me @ 9:00 am saying the registration site was now working but we could have registered with an email that was sent out approx Dec 15/17
